

Advice and training for Senior Managers, Governors and Trustees

Under the OFSTED Framework for Safeguarding, Governors and Trustees are responsible for ensuring that the school's premises provide a safe learning environment with secure access. Governors and Trustees also have a duty to ensure that schools are legally compliant.

The Schools Team can provide guidance and training for new and existing governors on all premises related matters to ensure that they understand this responsibility. Training may include:

- Understanding the legal Health & Safety requirements for managing the Estate
- Understanding duties under the Equality Act 2010 to develop and implement a School Access Plan
- Advice on the School Framework Act and requirements for statutory changes
