Torbay Touchdown goes further to make your business part of the community.

Network with the local business community.

Your personal account manager will introduce you to valuable groups like the Chamber of Commerce, Torbay Hi Tech Forum, Torbay Business Forum and Manufacturing Forum giving you the opportunity to network with the local business community, identify supply chain opportunities and develop other links.

Quick introductions to key contacts in Planning, Environmental and Health & Safety within the Torbay Council team.

You will benefit from a clear understanding of statutory requirements and best procedures quickly and simply.

Access to local business intelligence.

Access important business and market information through the Torbay Development Agency, South Devon College, Plymouth University and University of Exeter and other bodies.

Access to information on the quality of life in Torbay.

Your personal account manager will provide information on living and working in Torbay e.g. healthcare, education, housing, retail and leisure to help companies with their decision-making and recruitment.

Introductions to international trade specialists.

Torbay works closely with the national trade and inward investment body UK Trade and Investment (UKTI). Your personal account manager can ensure early introductions with the regional team of UKTI to discuss export support available.

Opportunities for joint press releases.

Your account manager will be happy to agree joint press releases, which can introduce the company to the business and wider community, raising your company's profile with potential employees and clients.
